### Information for my obituary:

(Things to consider are: Picture for obituary; where you went to school; if married, who and when; where you worked and when retired; clubs or organizations you may belong to; hobbies, interests and also personal quotes. List survivors and those who preceded you in death. If you have a special place you wish memorials to be sent, please list that, and you may also list a thank you note. You may list the newspapers to print the obituary.)
